YOUR LEGAL NEEDS

*Do you have a will?....
WELL YOU SHOULD!*

About

Do you know that a **WILL** and a **HEALTHCARE PROXY** are two of the **most important** legal documents you could have? **What does each document do for you?** Well, it's SIMPLE. **THEY PROTECT YOU!**

A will can help keep your hard-earned assets, like your home, so that it would be left to your family members of your choice. A health care proxy allows you to appoint someone else to act as your agent for medical decisions. It ensures that your medical treatment instructions are carried out. Not having a will and healthcare proxy can be added financial and emotional burdens to your family during a difficult time.

A LEGAL SERVICE PLAN can provide you the Will and Healthcare Proxy that YOU need!
Prepare for your legal needs today!
