

Friends of the Mattituck-Laurel Library

Organized in 1966, the Friends of the Mattituck-Laurel Library raise funds for the Library, substantially easing the tax burden of residents. The Friends enrich the Library's resources and services and support the growth of Library programs and cultural activities for the benefit of the entire community.

Some recent Friends' accomplishments include:

- Sponsoring children and family summer programs that include reading clubs, guest artists and special events culminating in a barbecue celebrating children's reading.
 - Purchasing state-of-the-art sound and projection equipment to enhance film showings, workshops and performances.
 - Building the Library's "Tween Space" addition dedicated to the 8 to 12 year-old age group – the first of its kind on Long Island.
 - Furnishing and refurbishing the "Teen Place" area.
 - Presenting the popular, free-of-charge "Sunday With Friends" concert series for the community.
 - Organizing trips to such places as Newport, R.I. Flower Show, Cirque du Soleil show, "Do-as-you-please" bus to NY City.
 - Awarding annual scholarships to graduating seniors to help promote life-long use and commitment to the Library.
 - Running book sales and the Lobby book sale.
- This all translates into a very enthusiastic group of people who love the Mattituck-Laurel Library and the community.
- The Friends are dedicated to volunteer work and financing the extras that increase the Library's vitality and value. They depend on your membership — become a member today!
