*Bev Wowak – Reader's Advisor* shared her many responsibilities with the board and highlighted some of her programs. There is a popular monthly reading challenge. Patrons read two books, fill out a raffle ticket and the first three people to complete the challenge will win a prize. Bev has led book discussions for over twenty years and hosts a Literary Café the second Friday of every month. There patrons can talk about all the books they are reading. Annually, Bev organizes a Book, Dinner, and a Movie evening. Patrons create a dish from a book to share, most recently Stanley Tucci's *Taste*. If a patron is unable to get to the library homebound services are available. Bev can gather up a dozen reads based on a telephone conversation and drop by to deliver them.

#### VII. Director's Report

The Director's report was presented in written format. The Board reviewed the director's report with interest.

Shauna highlighted a very successful Family Program organized by Karen Letteriello, *Hello Rain*. This program attracted a wide range of children. Participants listened to stories, used drums to create the sounds of rain and thunder, worked on a rainbow craft, and decorated umbrellas. The drums from this program as well as huge bones to build dinosaurs, aliens, or anything a child's mind can imagine are on loan from the Suffolk County Library System. Our new 3D printer has arrived! An Oculus has been added to our Library of Things and has already been checked out! Shauna was able to share round one of the new logo reveal.
